

CUSTOM COLORING

Custom coloring is our specialty. Experts at creating imaginative custom colors that enrich the natural beauty of leather, we are up to the challenge of matching anything that inspires you, from a sunset hue to a piece of yarn. We have fun with color, and it shows in our unique, sometimes playful, and always beautiful leather. For all upholstery and vertical applications.

MINIMUM

A one hide minimum is available. However, we always suggest that a few more hides make the dyelot consistent and true to its character. Need us to explain? Just ask.

LEAD TIME

4 week lead time for All Grain, Cashmere Calf, Embossed, Luster Leather, Napoli, and Royal Hide.
