

RESIDENTIAL COLLECTION

customizable luxury solutions

With our expansive residential collection, you'll find the right choice to suit each of your client's unique needs and expectations. Expect the highest quality, nearly limitless options, and unrivaled service. We connect you with leather that works — for your vision, for your setting, for your client.

QUALITY

above everything

Every option is a quality choice, without question. Based on decades-long relationships with our tanneries, and an unwavering commitment to exceptionally-crafted leather, we deliver consistent, reliable products for our clients.

Our leather lasts and wears in beautifully. Whether that matters because you're creating an heirloom-quality piece or designing for a busy home with children and pets, our leather stands up to the test of time and use.

CHOICE

nearly limitless

With more than 600 colors and textures standard, and access to even more, you'll find leathers to suit every style and budget. Look no further — it's here.

CUSTOM

just ask

We back our broad range of choices with unique custom options in textures and, of course, colors. With one-hide minimums and four-week lead times, our custom capabilities for residential products will take your designs anywhere you imagine.

SERVICE

we are your partner

We help find the right leather solutions for successful projects and happy clients. We believe in personal, thoughtful support and pride ourselves on guiding you to the best leather for your needs. Consider Edelman an extension of your design team.

Residential solutions live at Edelman.
