

# UPHOLSTERED WALL PANELS

## product overview

**Reach new heights with leather for walls. Our upholstered wall panels add a surprising touch of charm and texture. Leather used vertically creates interest, depth, and a unique warmth anywhere.**

### CONSTRUCTION

A standard panel is constructed with 13 mm ( $\frac{1}{2}$ " ) or 19 mm ( $\frac{3}{4}$ " ) Baltic Birch or MDF substrate. Standard panel sizes range from 12" to 48" in the same or multiple sizes. For ease of installation, a Z-Clip fastening system is provided. Other mounting options available upon request.

### UPHOLSTERY

All Edelman leathers are available. Custom stitching and embroidery are available and priced per project.

### LEAD TIME

6-8 weeks on average. Custom quotes in 48 hours.

### CARE

Refer to specific leather type cleaning suggestions.

### USE

Applications include feature walls, headboards, doors, corridors, and specialty applications.
