

# GEO RUG

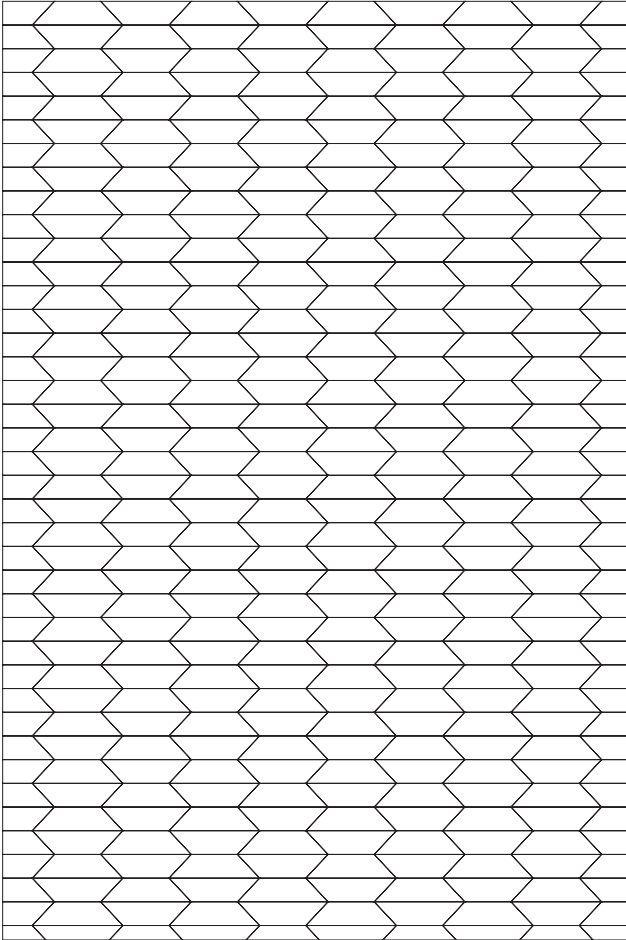

## product overview

Our classic geometric pattern offers a playful look at patterns and movement. Each one is handsewn and created in the size and colors you choose. Natural cowlicks and color variations run through the pattern for beautiful and authentic appeal.

# GEO RUG

## product overview

SHOWN AS 1830 MM X 2750 MM

269 mm x 264 mm

### CONSTRUCTION

European full grain aniline-dyed hair-on cowhide (Cavallini). We typically trim the hair. Long hair is available upon request. Matching thread and non-slip rubber backing are standard. 38-millimeter border optional.

### PATTERN

Specify overall size (OAS). Some patterns will affect the overall size of the rug. Please allow for a + or - 51-millimeter variance in overall dimension; these rugs are made by hand.

### CARE

Simply spot clean with a mild soap and warm water. Keep in mind — it's been outside for some years already. A light sweep with a broom is best. Vacuum use, especially on the rug setting, is not recommended. Cleaning chemicals should NOT be used.

### UPHOLSTERY

All Cavallini hair-on hide colors are available to specify except: Brown/White (C09), Black/White (C10), Tiger (C11), Black/Brown (C16), Swamp (C28), Snow Leopard (CS01), Night Leopard (CS03), and all embossed Cavallini.

### LEAD TIME

6-8 weeks.
