

NATURAL BLACK COWHIDE RUG

COWRUG03

product overview

DESCRIPTION

Edelman's natural black rugs offer rich deep black hues for the ultimate chic expression. Each hair-on hide rug is a unique expression of color, texture, and shape and adds to any setting's appeal.

CONSTRUCTION

European natural hair-on cowhide. Black non-slip rubber backing is standard.

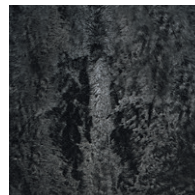

LEAD TIME

2-3 weeks.

CARE

A light sweep with a clean broom is best. If vacuuming, only use non-rotary brush attachments. Spot clean with mild soap and water and clean cotton cloths. For tougher spots, a soft toothbrush may help lift soiled spots. Chemical cleaners should never be used.
