CONSTRUCTION

European full grain aniline-dyed hair-on cowhide (Cavallini). We typically trim the hair. Long hair is available upon request. Matching thread and non-slip rubber backing are standard. 38-millimeter border optional.

PATTERN

Specify overall size (OAS) and pattern direction. Some patterns will affect the overall size of the rug. Please allow for a + or - 51-millimeter variance in overall dimension; these rugs are made by hand.

CARE

Simply spot clean with a mild soap and warm water. Keep in mind — it's been outside for some years already. A light sweep with a broom is best. Vacuum use, especially on the rug setting, is not recommended. Cleaning chemicals should NOT be used.
