

RAMBLER

product overview

Rambler is on the move. Its strong, large grain makes an impact with casual appeal. Put it to work in just about any setting. A durable choice meant to be enjoyed, it wears in, not out, and keeps up with anything it encounters on its journey.

	Surface Building Characteristic of Building Materials (ASTM E 84): Class B

maintenance

If a spill or stain should occur, blot immediately with a clean, absorbent cloth or sponge. Do not rub with force or pressure. A drop of saddle soap on a damp cloth may remove dirt.
